

K-LOVE serves my community here in Idaho Falls with encouraging and uplifting music over the radio station heard on 91.3 and 90.3 FM. If our community was to lose the ability to receive K-LOVE, because of displacement by an LPFM broadcaster providing other programming, many people would be without the benefit of Christian music 24 hours a day.

The service provided by K-LOVE is in the public interest of many listeners because it encourages people and is a life-changing ministry reaching many people, especially those unable to leave their homes for health reasons to attend worship services, etc. My family and I enjoy this family-friendly radio station because we do not need to worry about the content being offensive. Thank you for considering this matter.
